

An Invitation to the Tomahawk Veterans Fall Ride (Motorcycle Rally) in Tomahawk, Wisconsin on September 13 and 14, 2019 in the downtown

This is an invitation to all Veterans and their friends and families to come to Tomahawk, Wisconsin on September 13 and 14, 2019 to enjoy a motorcycle event in the downtown called the Tomahawk Veterans Fall Ride. We are proud to present a "MASH" theme once again. Our MASH tent is open to groups of veterans wishing to make presentations for the veteran causes or just sit and visit. In 2018 we drew 42,000 visitors. It was a marvelous site! The north woods offers fantastic scenery and many country roads on which to enjoy fresh air and sunshine in the fall of the year. Plan to attend and look us up at the MASH tent. There is food furnished by non-profit vendors and some for-profits in the downtown along with various venues on the outskirts of Tomahawk. Lots of music. The Thunder Parade takes place on Friday evening. This event is a good de-stressor.

See you there! Questions? Contact Pat at 715-453-3153 or 715-688-9395. The VFW serves Breakfast-With-A-Vet on S Fourth Street on Thursday, Friday and Saturday. Come join us!
