To My Fellow Legionnaires; Auxiliary and S.A.L. Members & Friends of the Legion, Welcome to the Struck-Klandrud American Legion Post 336 of Onalaska, WI !

Legionnaire Family,

Happy Halloween!

As fall activities have ramped up, so have the estimates for resurfacing the roof, whether it be steel or shingle replacement. As the estimates arrive and discussions are held amongst the membership during meetings, a fundraising goal will be set for an effort to reduce or eliminate the financial impact. The aim is to have the goal set this fall, so that the Fundraising committee may commence its mission. The fundraising committee is a collective effort consisting of representatives from our Membership, Auxiliary, and SAL.

Reminder we will have a Veteran's Day Luncheon at our Post 336 on November 8th . The Luncheon is still in the planning stages, so please look for our November Issue for further updates next month.

Are you Moving or have you moved to a new residence? No problem, please remember to notify us (Myself or the 1st Vice) of your address change because returned Newsletters etc., comes with a returned postage fee the Post will absorb if address corrections aren't

made in advance. Please help us avoid avoidable expenses.

Please see the Posts calendar for upcoming events and come out for a visit and camaraderie!

Be safe and get involved by visiting your American Legion Post 336, Veterans serving the Veterans community.

"The willingness of America's Veterans to sacrifice for our country has earned them our eternal gratitude."

Paul Roraff Sr., COMMANDER

OCTOBER 2025 Newsletter

Ahoy There!!

October already! I hope everyone had a great Summer! It has been suggested as the Historian I should note special events in history. So here we go! On October 13th, 1775 the United States Navy was established with only a few sailing ships. Since that date the United States Navy has grown to be the most powerful in the world. Until 2020 in numbers the Chinese Navy passed the United States in size. So, 250 years of history our Navy has fought and protected our way of life and that of the world. So Happy Birthday United States Navy! Now this is coming from a Marine! Most know the history of Navy vs. Marines but the bottom line this Marine wouldn't be here without the Navy corpsman. All corpsman in the Marine Corp are Navy personal. We always referred to them as "Doc" and in the field if any comment was made that they are Navy might get you a punch in the nose. Rightfully so. So give a high five to our Navy veterans or better yet a beer.

We have started to add decorations for each branch in the activity center. Below is a sample of what we have for the Marine Corp. I have ordered flags for the Coast Guard and Space Force. Still looking for those who wish to represent Air Force and Space Force.

Things have slowed down with brick sales and license plates from other posts which

is normal for this time of year. The memorial grounds at the cemetery are ready for winter and look great. This is with the help of the city of Onalaska. As always remember no matter where you go, that's where you will be!
